

The Navy is preparing our officer corps of the future to meet the dynamic challenges in the next generation of technology and leadership. In structuring our academic programs to meet these challenges, undergraduate academic majors for NROTC Navy option midshipmen are divided into three categories or tiers: Tier 1 - engineering programs of Navy interest, Tier 2 - other engineering, math and science programs, Tier 3 - Foreign language and remaining academic programs. In order to keep pace in this high tech and diverse environment, approximately 85% of Navy Option NROTC scholarships offers will be awarded to students interested in completing a Tier 1 or Tier 2 academic major. The NROTC scholarship provides full tuition and fees at 158 of our nation's most elite and prestigious colleges and universities.
